Executive Director

BRANTFORD, ONTARIO

THIS IS HOPE

For over 30 years Hope Pregnancy and Family Support Centre has served Brantford and the surrounding communities.

Our mission is to Equip, Empower, Encourage Life-Affirming Choices.

Our vision is to protect the sanctity of life in an atmosphere of protection and restoration, while emphasizing the concept of healthy relationships as the basis of a community. We provide relationship support for those with broken pasts, and guidance through tough situations, all in a non-judgmental environment. Our organization empowers women and men to face difficult decisions by providing them with the opportunity and resources necessary to hone their decision-making skills.

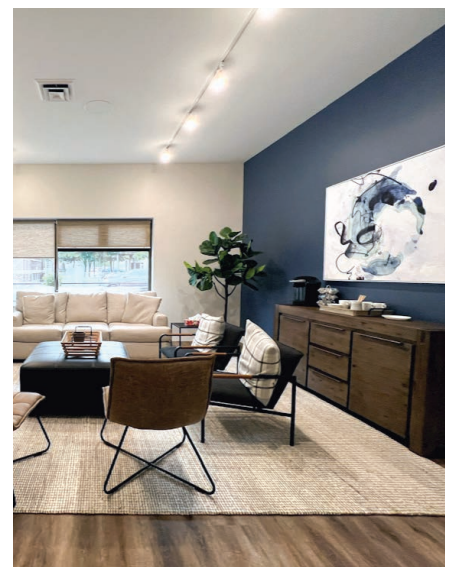

OUR PURPOSE

We provide services to diverse populations and have experience dealing with high-risk behaviors/lifestyles. We are uniquely suited as advocates and recognize the importance of early intervention. It is very important that vulnerable, at-risk youth and young adults have access to positive influences and information so they can make positive life-affirming choices for themselves.

We are a not-for-profit faith-based organization providing limited health services to clients free of charge.

We provide pregnancy support services, routine testing and treatment of STIs, and health education.

These services include prenatal care, parenting support, material assistance, post abortive healing, peer support groups and men's and women's peer mentoring.
